

Océanis & Océanis Yacht - Océanis 35.1

Loyal to spirit of this earlier generation and in the tradition of the 41.1, the Oceanis 35.1 combine performance and comfort at sea. The Oceanis 35.1 interiors have been rethought and their exteriors redesigned, delivering significant developments and offering a choice of four versions in all.

EXTERIOR DESIGN

The chined hull by the architects Finot-Conq stands for comfort and good balance under sail, making a particularly noteworthy entry into the market for this size of boat. With twin rudders, masts positioned further aft and optimized sail plans, the two hulls deliver excellent performance and offer incredible stability underway.

INTERIOR DESIGN

For the Italian design team, the challenge was to multiply the living spaces in the saloon and offer greater privacy in the owner cabin, while maintaining the visual perspective that her opening to the bow offered in previous versions. The new L-shaped galley makes a facing seat saloon arrangement possible. The space has been well optimised to allow eight people to sit around the table. For anyone who prefers a more contemporary version, a long galley layout is still available.
