

## BWA PREMIUM - BWA 34' EFB

Premium is synonymous with excellence.

The 29', 34' and 40' flagships of BWA feature an exclusive design, quality material and accessories and total reliability guaranteed by hundreds of units navigating worldwide.

The Premium line is the result of the experience of the BWA research and development in collaboration with hundreds of owners who helped us to improve these models.

Each BWA Premium model stands as a reference in its class, unique concept that put together uncompromisingly all the strengths of the «Made in Italy»: style and technology, modernity and safety, combined with a 30-year-long story of reliability and quality that make these products unique.
