

Flyer - Flyer 5.5 SPACE Deck

Extremely spacious, the open **SPACEdeck** version, with a central console, has a very open deck with wide walkarounds making circulation fluid. Its generous rear seat can be converted into a sun bath* and its two storage lockers to the bow make the **Flyer 5 SPACEdeck** a very functional easy-going dayboat, with a wide choice of customization specific to the range.

More family oriented, the **SUNdeck** version of the **Flyer 5** boasts remarkable comfort on board, for this size of boat. It is destined for sheer relaxation with two driving seats*, a wide rear seat*, and a solarium housing the forward cabin.

* (Options)

The **Flyer 5 SPACEdeck** equipped with the latest generation of AirStep® hulls.
